CONCESSION STAND FINAL REPORT FOR 2005

1. We had a good year for so much rain in May and June.
2. We wend over \$90,000.00 in sales.
3. We had no complaints about anything.
4. Teams showed up to work.
5. The Bathrooms were always clean.
6. Our work crew for the most part will be back next year. They now know what to do! Remember – everyone was new this year.
7. Do not compare the work crew inside to work crew outside. We do not get breaks and we handle 3 or 4 different groups of parents on every shift. Every two hours a new group comes to work – all must be trained and some do well others are slow. My crew deserves their pay and work very very hard. They also have to keep the bathrooms clean. No complaints this year. They also keep the meeting room clean. I'm pleased with the work done this year.
8. Parents were happy we kept the treat tickets at \$1.00.
9. We will work harder next year on July schedules for tournaments. Not enough information on many many extra games.
10. An updated report on cost of food, pop, candy, paper goods will be ready for next meeting.
11. No free food for any workers. They pay 1/2 price inside and outside. Free pop, water, powerade is also available.
